I.O. CHINESE SECTION Station,

Date March 18th 1929

Subject (in full) Indecent Publications.

Made by C.D.I. Prince

Forwarded by

J. B. Prince A.S. Pol.

Reference to the attached I have submitted the publications referred to to Mr. Bryan P. A. also Messrs Kum, and Ru, his assistants, and they are all of the opinion that Court action could taken against the Editor, but Mr. Bryan is of the opinion that in view of judgement given in a previous action against the same paper for similar publications, "please see attached file", it is doubtful whether action in this case would be successful. Mr. Bryan also informed me that unless action was taken by the Police as a matter of principle he did not think it worth while taking any action, as the publications are claimed to be copies of pictures published in a German book, and as to whether they are really indecent publications or not it is a matter of personal opinion.

A.C.P. Pol'.

I recommend that no action be taken.

REPORT

Subject (in full) Indecent Publication.

Made by Inspector Long.

Forwarded by

Sir,

I respectfully beg to forward herewith copies of the "Shanghai Sketch" for January 5th and 19th last, which were handed to me for perusal in a Dentists waiting room this afternoon: it appears that the Publication is making a deliberate attempt therein to bring foreigners into ridicule and contempt; British, French, Italian and Manchurian women being portrayed.

It appears to be a case where some action is necessary by the authorities.

I am,

Sir,

Your obedient servant,

D.C.P.

Long
Inspector.
